

## **Opportunity: Regional Vice-President of Medical Affairs**

Genesis Physician Services (GPS) seeks a Regional Vice-President of Medical Affairs to support over twenty-four skilled nursing facilities in West Virginia. Our parent company, Genesis Health Care, is a pace setter in the sub-acute/specialty and skilled nursing care world. GPS utilizes a team of dedicated Medical Directors, full and part-time Attending Physicians, Nurse Practitioners, and Physical Assistants to provide consistent, high quality care to patients and residents. GPS providers serve as clinical care partners to the entire Genesis care team at Genesis skilled nursing and assisted living facilities.

The Regional Vice-President of Medical Affairs ensures that delivery of clinical services achieves the Genesis HealthCare mission and is incorporated into all service sites, including Centers, Home Care, and Community Care Coordination. This is done by working with Medical Directors and other Regional Management to oversee the implementation, utilization, and outcomes measurement of Genesis Healthcare's Clinical Programs and Tool Sets and nationally accepted standards of care.

Ideal candidates will have an MD or DO. Geriatrics experience is preferred. Candidates may live anywhere in the state, but travel will be required.

Interested applicants should call Jane Halliwell Green at 1-888-291-3510 or e-mail [jane.halliwellgreen@genesishcc.com](mailto:jane.halliwellgreen@genesishcc.com).
