

The West Virginia Geriatrics Society

Supporting the care of older adults and geriatric education in the Mountain State.

Membership is open to individuals who want to network with others who are interested in the health and well-being of older West Virginians, who choose to participate in learning opportunities, and keep abreast of current trends in both WV and nationwide. The WVGS has historically collaborated with sponsors and partners to deliver an annual educational event for both health professionals, stake holders and anyone interested in improving the care and services for older adults in West Virginia.

WVGS Membership Application

Please complete and return with payment (check only) to:

The West Virginia Geriatrics Society
14 Roller Road
Charleston, WV 25314
